HAWAIIAN KNOWLEDGE INNOVATION 2022-23
Graduation Checklist for Windward Community College
ACADEMIC SUBJECT CERTIFICATE (ASC) – 27 credits

The Hawaiian Knowledge Innovation Certificate is meant to give students an introductory grounding in Hawaiian traditional technologies, as well as contemporary digital technologies and entrepreneurship. By combining these knowledge sets, students will be uniquely positioned to contribute to Hawaiian innovation because they will have the skills required in innovation sectors today. In the final semester, students complete a capstone project that demonstrates their learning about how Hawaiian culture-based innovation can be carried into a digital future.

This certificate consists of 27 credits. See course descriptions for prerequisites.

This is not an official document. Check catalog for course description and prerequisite. **Check course core designation at the Class Availability website. Course core designation may differ at the various UH campuses.** See your academic counselor if you need help.
