

2022 Summer Financial Aid Information

Aloha. Financial aid is available to eligible students for the summer sessions at Windward Community College (WCC). Please read the important information below regarding summer.

Summer Eligibility Information:

- WCC must be your home campus for Summer 2022.
- Summer tuition charges for most classes are higher than Fall/Spring and financial aid may not cover the full costs.
- Only courses that apply towards your WCC degree are eligible for financial aid.
- Students must meet Financial Aid Satisfactory Academic Progress Policy requirements prior to the release of summer session aid.
- If you are eligible, financial aid will not be applied towards your charges until mid-July. We highly suggest you register for your Fall classes early in case any registration holds are applied due to your summer tuition charges.
- Your schedule and eligibility will be reviewed after the drop deadline of the 2nd summer session in mid-July. Only courses that are still registered and/or have been completed are eligible for summer financial aid. If you are taking any 1st session summer courses and fail or withdraw from them, you will not be eligible for aid for those courses.

Summer Estimate Process:

1. You must be registered for summer at the time you request an estimate. Your award will be based on your current schedule at the time we review your file. If there are any changes to your registration you will need to request a new estimate.
2. Complete and sign this form to request an estimate.
3. A notification will be sent to your UH email with an estimation and additional information. Please allow 2-3 weeks to be notified.

Complete the following and submit to the Financial Aid Office:

Name: _____ UH ID #: _____ Phone #: _____

I have read all the information above. I have registered for all summer session courses that I intend to take. If you have not, do not turn in this form until you have done so.

Student Signature: _____ Date: _____
