Dear Chancellor Dykstra,

The Substantive Change Follow-Up Report for Windward Community College dated March 18, 2016 was received by the Accrediting Commission for Community and Junior Colleges. The Report addressed the Substantive Change Committee request by addressing how students are prepared for the distance education program. This report concludes the Substantive Change process for the Certificate of Achievement in Veterinary Assistant offered at the University of Hawaii Maui College.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change.

Thank you for your prompt response. Please let me know if you have any questions.

Sincerely,
