**PLANT-FOOD PRODUCTION AND TECHNOLOGY 2023-24  
 Graduation Checklist for Windward Community College  
 CERTIFICATE OF COMPETENCE (CO) – 9 credits**

The certificate in Plant-Food Production and Technology is a 9 credit program to attract a new generation of skilled agricultural-food technicians and broaden/enhance the skills and knowledge of existing agricultural biotech employees and incumbent workers in other related fields. Graduates will gain knowledge in propagating, planting, and understanding the uses of plants/ orchids, as well as skills in tissue culture and food sciences.

This is not an official document. Check catalog for course description and prerequisite. **Check course core designation at the Class Availability website. Course core designation may differ at the various UH campuses.** See your academic counselor if you need help.
