**AGRIPHARMATECH  
LIMU STUDIES 2024-2025  
Graduation Checklist for Windward Community College**

**Certificate of Competence (CO): 10-13 credits**

The Certificate of Competence (CO) in Limu studies is designed for students who are interested in Algae Cultivation. The certificate provides students with the basic knowledge and skills in algal biology, sustainable culture, biomanufacturing, and the applications of Hawaiian Limu.

This is not an official document. Check catalog for course description and prerequisite. **Check course core designation at the Class Availability website. Course core designation may differ at the various UH campuses.** See your academic counselor if you need help.
