

Creative Media: Video Game Design Academic Subject Certificate

SAMPLE

2024-25
(24 credits)

The ASC in Creative Media prepares students wanting to focus on video game design or filmmaking. The student will learn the foundational skills of their craft and produce a final project with professional equipment and conforming to professional standards. Upon completion, students will be prepared to launch their own entrepreneurial careers, to seek industry jobs or to pursue advanced academic study of their craft.

This is an example of an educational plan that can serve as a guideline to create your own academic pathway.

- Notes:
- Academic Subject Certificates (ASC) are designed to fit within the structure of the Associate of Arts degree, therefore the requirements for the ASC may be spread over four semesters.
 - Cumulative GPA of 2.0 or higher for all course work taken in fulfillment of degree.
 - Any one course can be used only once in each Academic Subject Certificate.
 - At least 20% of the required courses in the major area must be earned at the College.
 - When there is a break in enrollment (not attending fall or spring semester), you must use the graduation requirements in effect at the time you return to WCC.
 - The last day for graduation certification is the last day of instruction.
