**PSYCHO-SOCIAL DEVELOPMENTAL STUDIES (PSDS) 2020-21**  
**Graduation Checklist for Windward Community College**

**ACADEMIC SUBJECT CERTIFICATE (ASC) – 27 credits**

The ASC in Psycho-Social Developmental Studies (PSDS) provides pre-professional training for students planning careers in human services (social work, counseling, education, corrections, psychology, and human development). The curriculum combines existing liberal arts courses and cooperative education at designated field sites in partnership with a social service agency or hospital.

This certificate is unique because of the linkage and collaboration with liberal arts courses (interdisciplinary). To earn the PSDS Academic Subject certificate, students must complete a total of 27 credits with a cumulative grade point average of 2.0 or better for all required courses. Twelve credits, including SSCI 193V and SSCI 293V must be taken at Windward Community College. See course descriptions for prerequisites.

This is not an official document. Check catalog for course description and prerequisite. **Check course core designation at the Class Availability website. Course core designation may differ at the various UH campuses.** See your academic counselor if you need help.
