- Generally, any one course can fulfill only one area, e.g., SP 151, SP 231, SP 251 can fulfill either OC or DA, but not both. Certain natural science courses can fulfill both DB and DY requirements.
- No more than 12 credits in any combination of independent study or cooperative education may apply to the degree requirements.

- When there is a break in enrollment (not attending fall or spring semester), you must use the graduation requirements in effect the time you return to WCC.
