WINDWARD
COMMUNITY COLLEGE

**Sustainable Agriculture
Certificate of Competence
2020-21
(17 credits)**

SAMPLE

The Certificate of Completion in Sustainable Agriculture is designed for students who want to engage in small-scale farming in Hawaii. Sustainable agriculture integrates long-term environmental stability with economic profitability in a way that focuses on stewardship of both human and physical resources.

This is an example of an educational plan that can serve as a guideline to create your own academic pathway.
